I. INTERIM FINANCIAL REPORT FOR THE YEAR ENDED 31 DECEMBER 1996

Introduction

1. The Executive Director of the United Nations Children's Fund (UNICEF) submits herewith the financial report of the accounts of UNICEF for the year ended 31 December 1996, the first year of the biennium 1996-1997, comprising 11 statements and 1 schedule. Of those, statements I, II, III and VII are now presented in line with the formats agreed upon by the Administrative Committee on Coordination (ACC) as a step towards the harmonization of the accounts of agencies in the United Nations system. The financial report provides the details of the financial results of UNICEF activities in 1996. Highlights are summarized in the following paragraphs.

Income

2. UNICEF income in the year 1996 totalled \$944 million. Virtually all Governments of both industrialized and developing countries contributed to UNICEF in 1996. Income comprised \$551 million for general resources, \$287 million for supplementary funds and \$106 million in emergency contributions. The breakdown of UNICEF income by source is: 64 per cent (\$607 million) from Governments; 32 per cent (\$300 million) from fund-raising campaigns, greeting card income and individual donations; and 4 per cent (\$34 million) from miscellaneous sources, including interest net of exchange rate revaluation of assets and liabilities. The amount of \$3 million was contributed by the United Nations system.

Expenditures

3. UNICEF expenditures in the year 1996 were \$921 million. This amount consisted of \$428 million for programme cooperation from general resources, \$272 million for programme cooperation from supplementary funds and \$124 million for emergency relief and rehabilitation. The remaining expenditures of \$97 million were for administrative services.

Donations-in-kind

4. Donations-in-kind valued by donors at \$33 million were delivered by UNICEF to projects during 1996. These deliveries are not reflected in the financial accounts of UNICEF, although they are handled through the administrative structures of the organization.

Special accounts

5. Special accounts not related to programmes approved by the UNICEF Executive Board and are not entered in the financial accounts of UNICEF as income and expenditures. These funds are used mainly to cover the cost of goods and services purchased and delivered on a reimbursable basis by UNICEF on behalf of Governments, other agencies in the United Nations system and non-governmental organizations (NGOs). In 1996, UNICEF received cash or pledges of \$105 million for these special accounts. Disbursements and obligations totaled \$117 million, and \$21 million were either returned to donors or approved by donors for other services.

Cash holdings

6. UNICEF has total cash of \$436 million (which includes the unspent balances from special accounts in the amount of \$57 million). An amount of \$435 million is held in first-class banks, comprising \$404 million in interest-bearing time deposit accounts and \$31 million in current bank accounts. Cash-on-hand accounts amount to less than \$1 million. The total cash holdings of UNICEF included \$15.5 million in currencies restricted for use in the donor countries for purchases and other local expenditures.

Approved programmes

7. During 1996, the Executive Board approved the amount of \$1,133 million for new programmes for children in countries with which UNICEF cooperates, as well as for regional and interregional projects. This total includes \$769 million in programmes to be funded from UNICEF general resources and \$252 million for projects that the Board approved as worthy of support and that were financed by pledges of supplementary funds made in 1996. The total also includes \$112 million for projects financed by pledges for emergency relief and rehabilitation.

Notes to the financial statements

Note 1: Statement of the objectives and activities of UNICEF

1. UNICEF is mandated by the United Nations General Assembly to advocate for the protection of children's rights, to help meet their basic needs and to expand their opportunities to reach their full potential. The organization mobilizes political will and material resources to help countries, particularly developing countries, ensure a "first call for children" and build their capacity to form appropriate policies and deliver services for children and their families.

Note 2: Summary of significant accounting policies

2. Until 31 December 1987, UNICEF accounts were maintained in accordance with the Financial Regulations of the United Nations, with such modifications as required by the nature of the work of UNICEF. By its decision 1987/13 (E/ICEF/1987/11), the Executive Board adopted the UNICEF Financial Regulations and Rules in accordance with Economic and Social Council decision 1986/1981 of 23 July 1986, as approved by the General Assembly in its decision 41/461 of 11 December 1986.

3. In line with the goal of achieving harmonization of the presentation of the accounts by the agencies in the United Nations system, statements I, II, III and VII are now shown in line with the formats agreed upon by ACC.

Accounting period

4. By its decision 1987/2 (E/ICEF/1987/11), the Executive Board decided that effective 1 January 1988, UNICEF would commence its financial reporting on a biennial basis. Since 1 January 1988, the accounts have been maintained on a biennial basis in accordance with the UNICEF Financial Regulations and Rules.

Unit of account

5. The accounting unit is the United States dollar. The equivalent in United States dollars of other currencies is established on the basis of the United Nations operational rates of exchange.

Translation of currencies

6. Differences between the valuation of the currencies when entered into the accounts and when actual transactions are completed are accounted for as gains or losses on exchange transactions.

7. Periodically, assets and liabilities in currencies other than United States dollars are revalued for accounting purposes at the prevailing United Nations operational rates of exchange. Any variance due to fluctuation of those rates is accounted for as income or loss and shown separately in the statement of income and expenditure. In accordance with UNICEF Executive Board decision 1990/28 (E/ICEF/1990/13), differences resulting from the payment of contributions pledged in currencies other than United States dollars are recorded against the contributions.

Income

8. Income consists of general resources, supplementary funds and emergency relief and rehabilitation. General resources include funds from the voluntary annual contributions of Governments, intergovernmental organizations, NGOs, the net income from Greeting Card and related Operations (GCO), unearmarked funds contributed by the public and other income. Supplementary funds are those contributed to UNICEF by Governments, intergovernmental organizations, NGOs and United Nations agencies for specific purposes within the programmes approved by the UNICEF Executive Board. Emergency relief and rehabilitation funds include those contributed for emergency operations.

9. Income is recorded on the basis of funds or pledges received for the current year. Pledges received for future years for purposes specified by donors are considered deferred income and recorded as "pledged and received in advance".

10. Contributions income received from National Committees for UNICEF and NGOs is accounted for on a cash basis of accounting, with the exception of contributions for supplementary funds and for emergency relief and rehabilitation, which may be recorded on the basis of a valid pledge from a National Committee. The validity of the pledge is determined by the existence of funds raised and a statement from the National Committee that it is committing funds to UNICEF in the form of a pledge.

11. All other income received by UNICEF is classified as miscellaneous income and is credited as general resources.

12. The statement of income and expenditure does not include funds received and expenditures made from special accounts. Those transactions which do not require commitments by the Executive Board are maintained as special accounts.

13. Donations-in-kind, which are recorded as memorandum entries in the books of accounts, are not part of UNICEF income.

Expenditure

14. All expenditure of UNICEF is accounted for on an accrual basis, except for that relating to staff entitlements, which is accounted for on the basis of cash disbursements only.

15. Deferred charges comprise expenditure items which are not properly chargeable in the current financial period and which will be charged as expenditure in a subsequent financial period.

16. No provision is made for staff entitlements for repatriation, etc., that will take place in the future or to meet contingencies under appendix D of the United Nations Staff Rules, as funds are provided in the budget appropriations as required.

Assets

17. All funds received are deposited into UNICEF bank accounts, including those under special account arrangements, and reflected as cash holdings.

18. All outstanding pledges for contributions are recorded as receivables (see para. 9 above).

19. Prior to 1989, certain buildings purchased by UNICEF and considered as capital assets were valued at cost less accumulated depreciation. In 1989, the unamortized value of UNICEF capital assets was expended against the 1988-1989 budget, resulting in a fully depreciated UNICEF capital asset account as of 31 December 1989. Future acquisitions of UNICEF capital assets will be included in the capital asset fund (see para. 24 below).

20. The stock of programme supplies at the UNICEF Supply Division warehouse at Copenhagen is shown at average cost. Goods in transit to the warehouse are valued at actual cost. Freight paid for supplies to the warehouse is considered part of the cost of supplies.

21. The GCO inventory of raw materials, products in process and finished goods are valued at standard cost.

22. Furniture, equipment and other non-expendable property are not included in the assets of the organization. Acquisitions are charged against budgetary accounts in the year of purchase.

Liabilities and reserves

23. The liabilities of UNICEF include contributions received in advance, special accounts, unliquidated obligations, other accounts payable, credit balances and accrued expenses. In line with the practice in the United Nations system, the medical insurance plan is now shown under liabilities.

24. By its decision 1990/26 (E/ICEF/1990/13), the Executive Board approved the establishment of a capital asset reserve fund to better control the future purchase of UNICEF capital assets, mainly buildings to be purchased for office accommodations and staff housing in the field. At such time as may be necessary, additional authorized appropriations will be made to replenish the capital asset reserve.

Consolidation of GCO accounts

25. The financial report and accounts reflect UNICEF income, expenditure, assets and liabilities, including the net operating income, assets and liabilities of GCO. The principles of consolidation reflect the accounting policies outlined below:

(a) The reporting period and accounts of GCO are maintained on a fiscal year basis, ending 30 April. However, for consolidation purposes only, the UNICEF financial statements include the GCO accounts on a calendar year basis, as at 31 December, based on the trial balance of the GCO accounts;

(b) The financial effect of consolidating the GCO accounts on a calendar basis is reflected, most notably, in the receivables and earnings of GCO. Inter-office transactions between UNICEF and GCO are eliminated for consolidation purposes.

Note 3: Income

26. Total income from contributions for the year ended 31 December 1996 was \$760,227,000, a decrease of \$76,420,000 compared to the year ended 31 December 1995. Contributions for the year ended 31 December 1996 consisted of \$364,783,000 for general resources, \$288,969,000 for supplementary funds and \$106,475,000 for emergency relief and rehabilitation.

30. Donations-in-kind valued by donors and accepted by the Executive Director at \$32,982,189 were delivered by UNICEF to projects during the year 1996. These are recorded as memorandum entries in the books of accounts and are not part of UNICEF income.

Note 5: Expenditures

31. Total expenditures for the year 1996 amounted to \$921,108,000, which is \$90,544,000 lower than the total expenditures of the preceding year. Expenditures for programme cooperation during the present year totalled \$824,061,000, or \$88,134,000 lower than that for the year 1995.

32. Expenditures for administrative services in 1996 were \$97,047,000. In the year 1995, the comparative amount was \$99,457,000.

Note 6: Write-offs

33. The amount of \$14,743,000 shown on statement I includes the write-off and adjustment of pledges for the year ended 31 December 1996 totalling \$13,163,000. Adjustments for write-offs of other assets and losses amounted to \$1,580,000. The write-off and adjustment of pledges consist of:

(In thousands of United States dollars)

Note 7: Assets

34. As of 31 December 1996, cash totalled \$435,536,000 (statement II). Included in this amount are \$57,259,000 held on behalf of donors, mainly for the procurement of goods and services on a reimbursable basis. The amount also includes restricted currencies of \$15,533,382, consisting mostly of the following: \$3,811,808 in Brazilian reals; \$2,365,144 in Iraqi dinar; \$1,681,071 in Indian rupees; \$955,361 in Mexican nuevo pesos; \$875,724 in Myanmar kyats; and \$426,147 in Cuban pesos.

35. Contributions receivable for current and prior years totalled \$156,985,459 as of 31 December 1996. Included in contributions receivable are \$108,953,151 for supplementary funds and \$34,577,419 for emergency relief and rehabilitation, payment of which is normally related to the progress in implementing specific projects and occurs in accordance with payment schedules agreed upon with donors.

36. The aggregate of accounts receivable, advances and deposits as at 31 December 1996 totalled \$149,603,935, including the accounts of GCO, which total \$113,461,878.

37. The aggregate value of inventory as at 31 December 1996 totalled \$36,875,708, consisting mainly of programme supplies in stock at the UNICEF Supply Division warehouse at Copenhagen and GCO stock.

38. Capital assets reflected in the financial statements of 31 December 1996 consist of office buildings and staff housing presented at their acquisition cost of \$11,776,963, as well as GCO machinery and equipment that is depreciated over the estimated useful life of these assets. The depreciated value of the GCO capital assets is \$2,019,342. Details of UNICEF capital assets, except GCO, are given in statement VIII.

39. The cost of non-expendable property as at 31 December 1996 totalled \$49,953,501. Computer equipment acquired in 1996 has been charged against the administrative budget, a procedure consistently applied since 1986, and is not reflected in the statements.

40. As at 31 December 1996, the organization's call accounts and time deposits were valued at \$403,436,675. The application of the United Nations rates of exchange as of 1 January 1997 will result in a foreign exchange loss of \$1,764,439 and decrease the value of the call accounts and time deposits to \$401,672,236.

Note 8: Reserves

41. In 1950, the Executive Board authorized the establishment of a reserve for insurance of \$200,000 to absorb losses of UNICEF programme supplies and equipment not covered by commercial insurance. Up to 1992, the reserve was restored to its authorized limit by a transfer from income. There were no movements in the reserve for the year 1996:

Balance, 31 December 1996	<u>104 010</u>

42. In 1987, UNICEF established a reserve of \$100,000 to self-insure for property losses. This reserve was funded equally from the biennium 1987-1988 and the biennium 1988-1989. Up to 1992, the reserve was restored to its original amount by a transfer from income. The procedure of replenishing the reserve accounts from income was discontinued in 1993. There were no movements in the reserve for the year 1996:

(In United States dollars)

Balance, 1 January 1996	26 399

Accumulated leave	22 604
Repatriation grant	<u>43 659</u>
Total	<u>66 263</u>

44. There is no provision in the accounts for this amount. The expenditures will be charged against the budget appropriations of the periods when actual payments are made.
